#### Eligibility:

### 13. Who can get the DIRECTV retiree offer?

- All AT&T retirees residing in the U.S. and who satisfy the post-employment eligibility rule in the applicable comprehensive medical program are eligible. DIRECTV doesn't service the U.S. territories of Puerto Rico, U.S. Virgin Islands, and Guam through its U.S.-based operations.

### 14. Can I get the DIRECTV retiree discount if I live in an apartment or condo?

- Generally, you're eligible for the retiree discount if we bill you for your DIRECTV, and not your landlord or HOA. However, scenarios will vary for multi-dwelling units (MDU). Here are some common scenarios:

**Unrestricted:** This is most common. Your MDU does not have a relationship with DIRECTV, and does not have restrictions on TV service. You have permission from your landlord to have DIRECTV installed for your unit, or you are already receiving DIRECTV and we are billing you for the service. DIRECTV will bill or continue to bill you. You're eligible for the DIRECTV retiree discount when you meet these conditions. You can order or enroll your account at [att.com/dep](http://att.com/dep).

**Your MDU provides complimentary DIRECTV basic service or discounts some of the services\*:** Your address isn't eligible for the discount because you receive DIRECTV services that are billed to the MDU and not to you.

**DIRECTV community satellite dish:** Eligible for the discount, as long as you are billed directly by DIRECTV.

**MDU (or MDU assigned dealer) manages DIRECTV ordering, installation, and/or servicing:** Order DIRECTV service and have it installed through your MDU first. Then, enroll your account at [att.com/dep](http://att.com/dep) to receive the programming discount.

\*Retirees are responsible for any applicable surcharges and fees associated with their DIRECTV account. This may include federal, state, or local taxes dependent on the services provided and where you live.

Additionally:

- MDU ordering & credit policies may apply.
- MDU charges (such as TV deposit, installation or repair charges, equipment charges) are not included under the AT&T retiree discount plan.
- Discount will be applied within 1-2 bill cycles after signup at [att.com/dep](http://att.com/dep). There will not be any reimbursements for DIRECTV service prior to your signup date.
- MDU repair policies and charges may apply.
- Account not eligible for DIRECTV protection plan.
- Enrollment in the AT&T retiree discount does not waive or change any contractual requirements the retiree may have with the MDU/Dealer (such as a commitment term).

### **Program Requirements:**

#### **15. Are there requirements I need to meet to take advantage of the DIRECTV retiree offer?**

800. Contact the care center at 800.531.5000.

801. Tell the representative you're an AT&T retiree and need to change the name on the account.

802. After we confirm the name change, you are eligible to apply for the retiree discount at the [AT&T employee and retiree discount self-service site](#).

Choose **DIRECTV**, and then **Switch existing DIRECTV account** to enroll in the retiree offer.

**18.I have an existing DIRECTV account, but it is bundled with a third-party biller. Will I have to do something to be eligible for the retiree offer?**

- The DIRECTV retiree offer must be a direct bill account. It can't be bundled with a third-party biller or unified or combined with another AT&T product at this time. But we are working to make this possible.
  - Contact your third-party biller and unbundle the billing.
  - If your DIRECTV is currently bundled with another AT&T product, there is no action required on your part. Your DIRECTV consumer account will be uncoupled

from your other AT&T product and converted to a standalone retiree account.

**19. Does paperless billing apply to DIRECTV retiree offer accounts since they are direct billed?**

- The AT&T Employee Discount Program Terms and Conditions require participating retirees to sign up for paperless billing. Once we've established your retiree offer account, follow these 3 easy steps at DIRECTV.com:
